SENATOR YOST has decided to sustain Postmaster Hitchcock at all hazards.

ALTHOUGH G. W. Washington Secundus is a candidate for the Postmastership, BEE still stands for Balcomb.

If Bye had only kept mum and accepted the land office that Postmaster Hitchcock offered him for his silence, every thing would have been serene in Senator Yost's camp.

UNDER orders of the City Council, General Thomas Swift will make another charge through the five hundred dollar gate of Hanscom Park with his pick and shovel brigade.

SALT LAKE, Aug. 9.
Four city policemen have been held to bail by the United States Commissioner until the next sitting of the District Court, on the charge of assault on election day.

Austin Shipp was arrested at Beaver Lake to-day, and was held to bail to appear before the U. S. Commissioner on the 21st, on the charge of polygamy.

SIoux CITY, August 19.
The report comes from Fort Sully this morning, that the Indians to the number of four thousand, made an attack upon Custer's expedition on the 15th, and were repulsed with heavy loss. Custer's loss is reported at fifty killed and wounded. This report was brought into Fort Sully by a mail rider, who states that he met one of Custer's scouts above Grand River and got the news from him.

Jersey City, August 19.
Great excitement prevails over the death-bed statement of Miss Pomeroy, accusing the Rev. Mr. Gleason as being the father of her child. In her statement she says that after having promised her to make it all right, meaning as she supposed to marry her, Mr. Gleason, exacted from her one day a written statement, but what it contained she hardly knows, for he had compelled her to write it by the use of a revolver, and she was nearly unconscious through fear. It is supposed this statement will be his principal defense.

WASHINGTON, August 19.
An article in a New York paper to the effect that the Spanish government, in return for securing the recognition of the Spanish Republic, has agreed to cede the Island of Porto Rico to Germany. It has occasioned universal comment, but cannot be officially verified or reported. All that can now be said with certainty is that the Spanish department is not inattentive to this matter, and that Cushing at Madrid, and Dr. Davis, at Berlin, have the subject on their memoranda. Instructions, and will not fail at the proper time to report their government's opposition to this administration; as heretofore privately and officially expressed.

St. Louis, August 19.
The deputy sheriff of Colliers county, Texas, writes to the Evening Dispatch, stating that he killed a notorious criminal, named James H. Reed, in Lamar county, Texas, on the 10th of August. Before dying, Reed stated that he was the leader of the band that committed the Iowa and Gads Hill, Mo. train robberies, and the St. Genevieve, Mo. bank robbery. He also asserted he robbed the Hot Springs, Arkansas, and Austin, Texas, stages, and had committed several similar robberies in Arizona, Nevada and Oregon. He would not give the names of any of his associates, but declared positively that neither Arthur McCoy nor the Younger or James brothers had anything to do with the robberies.

Buffalo, August 19.
The Buffalo Express of this forenoon publishes an interview with eighteen Buffalo clergymen regarding the Buffalo Episcopate. Among them are the opinions from Rev. Dr. Peacock, of Lafayette Street Presbyterian Church; Rev. Dr. James Redpath, of the Episcopal Church; and Rev. Dr. Bishop Cox was absent from the city. Nearly three-quarters of the number of gentlemen interviewed accepted Beecher's statement as disproving the Episcopate's denunciation of the remainder believe Beecher to be more discreet than anything else. Rev. Jos. M. Sage, of St. Louis Church, Roman Catholic, declined to explicitly state his opinion as to the Episcopate's statement. The Catholics said he was more indifferent than otherwise. The scandal was kept out of their papers because it is not a readable reading for the young. He said Beecher could not be driven from the Plymouth pulpit because his congregation liked him too well.

New York, Aug. 19.
Frank Moulton arrived home this morning. He refused to give audience to any one. Tilton is at his own house and also declined interviews. Both are said to be engaged in preparing new statements.

The "Argus" of to-day reports Moulton speaking as follows: "All the world now knows that my honor has been impeached. I shall publish my statement in full, exactly as it was written at first; it is already in the printers' hands." He said his printer has promised him everything which he has asked for, and the statement to appear in the morning and evening journals on Saturday next.

The prospect of a report from the investigating committee on Friday is so good that the trustees have directed the church to be made ready for use in case the lecture rooms are inadequate to accommodate the number who doubtless will desire to be present. Nothing now but unforeseen circumstances will prevent the report from being made at that time.

The following letter was addressed by Tilton's attorney to Henry Ward Beecher:

MONDAY, Aug. 17.
HENRY WARD BEECHER:
SIR:—We have been retained by Theodore Tilton to commence and defend him in his suit against you. Will you please indicate the attorney who is authorized to appear in your behalf, so that we may serve papers on him?

Yours, &c.,
MORRIS & PEARALL.

To the foregoing communication, Messrs. Morris & Pearall, attorneys for Beecher, this morning made the following reply:

GENTS:—Understanding that you contemplate the commencement of an action at law on behalf of Theodore Tilton against Rev. H. W. Beecher, we beg to inform you that we are authorized to appear for Mr. Beecher in all legal proceedings, and that we request in his name, the immediate service of papers upon us, either at our office, or, if the service can be made before 11 a. m., at No. 81 Hicks street, Brooklyn.

Your Obedient Servants,
SHEARMAN & STERLING,
Tilton and Moulton.

—were in contact with a long time to-day.
